

Find partners and Build a Consortium

Participation in Consortium (general rules)

Eligibility – any legal entity can participate

Collaborative projects – Must be a consortium of minimum 3 independent legal entities, each established in a different EU Member State (MS) or Associated Countries, with at least 1 of them established in a MS.

Think strategically and be proactive!

1. Identify your potential contribution and role
2. Identify missing expertise and competences
(keep in mind the complementary between partners! Click [here](#) to see the Do's and Dont's of a successful Consortium building)
3. Look on your network!
4. Join Networking Communities (European Technology Platforms: [Plants](#); [Forests](#); [Food](#) OR [European Innovation Partnerships](#): [EIP-Agri](#))
5. NCP Network ([Guide to an adequate partner search](#))
6. Attend Partnering events
